Surgical Gowns

Reliable Protection, Ultimate Comfort

Comfort and Protection

Medplus Surgical Gowns provide a unique balance of protection and comfort. We recognize the variety of procedures you handle daily and the dynamic conditions you face.

Alpha®

Standard gown made of fluid-repellent nonwoven fabric with a micro-fiber middle layer. High resistance to Fluid and Bacteria penetration, Abrasion-Resistant and low-linting.

UltraSafe®

Reinforced gown giving you maximum protection. Made from 5-layers Polypro-pylene materials with Anti-static and Fluid Resistance.

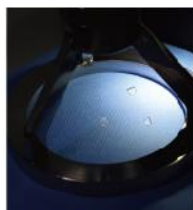

Vantage®

High Performance Surgical Gown with increased breathability and comfort. Made from 5-layers Polypropylene materials with Alcohol, Blood, Anti-static and Fluid Resistance.

What will you be wearing?

It is important to choose the right gown for the right procedure. Clinicians and surgeons should begin the surgical gown selection process by considering the following test.

Strike-through resistance test (in cm) ↑ Higher is better

Puncture resistance test (in psi) ↑ Higher is better

Strength test (machine direction in lbs.) ↑ Higher is better

Lint test (in number of particle ≥1 micron) ↓ Lower is better

Alpha® Surgical Gown

Standard gown made of fluid-repellent nonwoven fabric with a micro-fiber middle layer.
High resistance to fluid and bacteria penetration.
Abrasion-Resistant and low-linting.

AAMI Guidelines: A Reliable Benchmark for Protection

Under AAMI Guidelines, protective apparel must meet minimum performance standards for strength, barrier protection and fluid resistance to ensure the safety of healthcare workers and patients.

Levels of Barrier Protection – AAMI PB70:2012

AAMI Level	Test	Requirements at 4% AQL	Anticipated Risk of Exposure
Level 1	AATCC 42	Spray Impact ≤ 4.5 g	Low
Level 2	AATCC 42	Spray Impact ≤ 1.0 g	Moderate
	AATCC 127	Hydrostatic Pressure ≥ 20 cm	
Level 3	AATCC 42	Spray Impact ≤ 1.0 g	Moderate to High
	AATCC 127	Hydrostatic Pressure ≥ 50 cm	
Level 4	ASTM F1671	Total Impervious	High

The logo for Med plus, featuring the word "Med" in a large, bold, sans-serif font, with a small red square above the "i". Below "Med" is the word "plus" in a smaller, bold, sans-serif font. The entire logo is white and set against a dark blue background.

**Med
plus**

surgical solutions

A photograph of a surgical team in an operating room. Three surgeons in blue scrubs, masks, and caps are performing a procedure on a patient lying on a table. The patient's leg is in a blue cast. Medical equipment, including a monitor and various tubes, is visible in the background. The scene is brightly lit, and the overall atmosphere is professional and sterile.

surgical solutions

A photograph of a surgical team in an operating room. Three surgeons in blue scrubs, masks, and hairnets are performing a procedure on a patient lying on a table. The patient's head is covered with a grey cap. The room is brightly lit by several large, circular surgical lights hanging from the ceiling. The background shows a typical hospital setting with white walls and medical equipment.
