

## Privacy Policy

Jiangsu Medplus Non-Woven Manufacturer Co., Ltd. is committed to safeguarding the privacy of individuals and entities. This Privacy Policy outlines essential provisions that are designed to protect the personal information you provide when visiting our website.

### Definitions

- **Personal Information:** Refers to electronically recorded or otherwise obtained information that can, either independently or when combined with other data, identify or reflect the activities of a specific individual.
- **Personal Information Deletion:** Refers to the process of removing Personal Information from our systems, rendering it irretrievable and inaccessible.
- **Other Information:** Includes data or information retrieved automatically by our website's server. This data may encompass keywords, visited web pages, operating status, network environment, and other non-personally identifiable information.

By using this website, you confirm that you are an adult. If you are under fourteen years old, you must obtain consent from your guardian to use this website.

### Information Collection and Use

To ensure a seamless browsing experience and enhance our services, we may request certain Personal Information from you. Your decision to provide this information is entirely voluntary. By submitting your information through our website, your action will be construed as consenting to our acquisition and utilization of such information.

We may collect non-identifiable, aggregated data during your interaction with our website. This data could be used to analyze trends, improve navigation, and evaluate the overall user experience. We may collect your domain name for analytical purposes, and our website may place a "cookie" on your device's hard drive to facilitate a more tailored user experience on subsequent visits. These cookies assist in recognizing your device and allow us to gather statistical data about specific sections of our website.

The scope and nature of information collected depend on your interactions with our website. The data we collect is primarily used to enhance our services and tailor our offerings to better suit your needs.

The Personal Information you provide may also be used by us to:

- Improve the relevance of our website content and services to you.
- Facilitate communication with you and provide assistance in purchasing our products.
- Grant access to restricted areas of the website.
- Enhance overall user experience based on aggregated statistical insights.
- Enable more effective target marketing initiatives.

To enhance operational efficiency and provide you with a seamless experience, we may, from time

to time, share certain essential Personal Information with affiliated companies. We will not share your personal information with third parties for the sole purpose of the third parties' marketing or solicitation needs. In significant situations, such as mergers and acquisitions, or bankruptcy, any transfer of personal information to new entities will be carried out in accordance with the principles outlined in this privacy policy.

### **Use of Cookies and Similar Technologies**

Cookies are plain text files created by servers, stored on devices, and uniquely associated with web browsers or applications. We use technologies like cookies to analyze trends and collect statistical data for website improvement. You can manage or delete cookies according to your preferences.

### **Information Security**

We diligently manage and safeguard the Personal Information you provide. We are committed to safeguarding the data you entrust to us and maintaining its confidentiality and integrity. Your information will not be sold to third parties without your prior consent.

### **Links to Other Websites**

Links to external websites are provided for convenience only. We have no control over third-party content, and links should not be considered endorsements. We are not responsible for third-party privacy policies or data protection practices.

### **Changes to this Policy**

We are committed to transparency and keeping you informed about any updates to our policies. As part of our ongoing effort to enhance our services and align with industry standards, we may occasionally revise our policies, including this privacy policy.

- **Notification of Changes:** Should any changes be made to this policy, we will make reasonable efforts to notify you. This may include posting the revised policy on our website, along with a notification of the date when the changes will take effect.
- **Reviewing the Policy:** We encourage you to review our policies periodically to stay informed about how we collect, use, and protect your information. Your continued use of our services after any modifications to the policy will signify your acceptance of the updated terms.
